## SPRE:

A Petition to Reinstate the application was filed on 2/24/03. The petition asserts that the Notice of Allowability did not require drawings, so Applicant had no notice that corrected drawings were due. The application went abandoned for failure to file corrected drawings.

Please decide the petition under 37 CFR 1.181 (request to withdraw abandonment).

Please call with any questions. Thank you in advance with your assistance in this matter.
